Socio-cultural Complexity

Ancient historical sources say:
Thracians had an *arkhe*

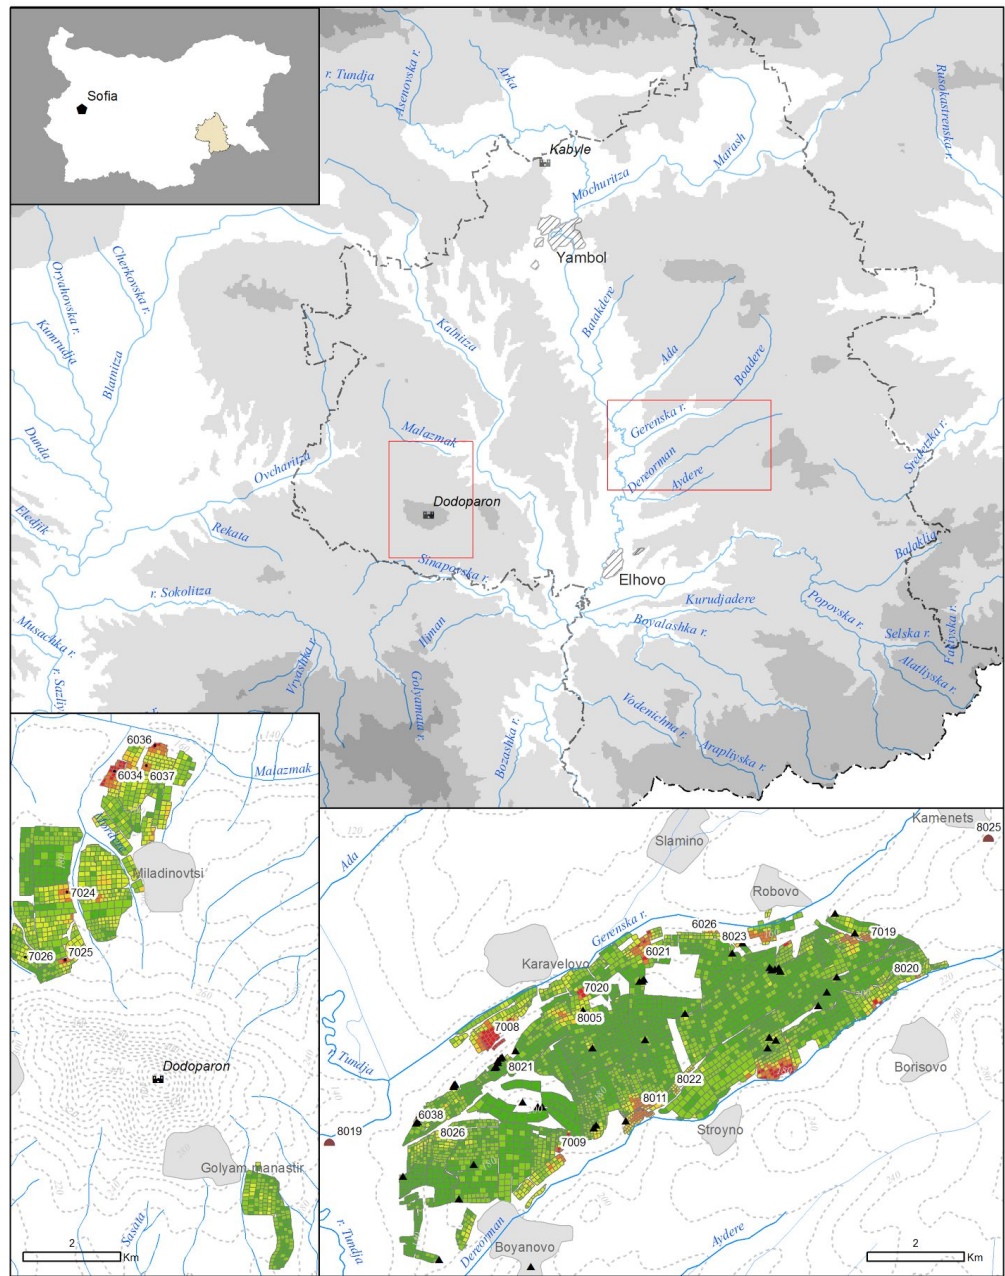

Mortuary data: very rich burial
tombs, one city excavated

What was missing: large scale
regional data on settlement
distribution and hierarchy, and
population trends.

Catchment Analysis - Kazanlak

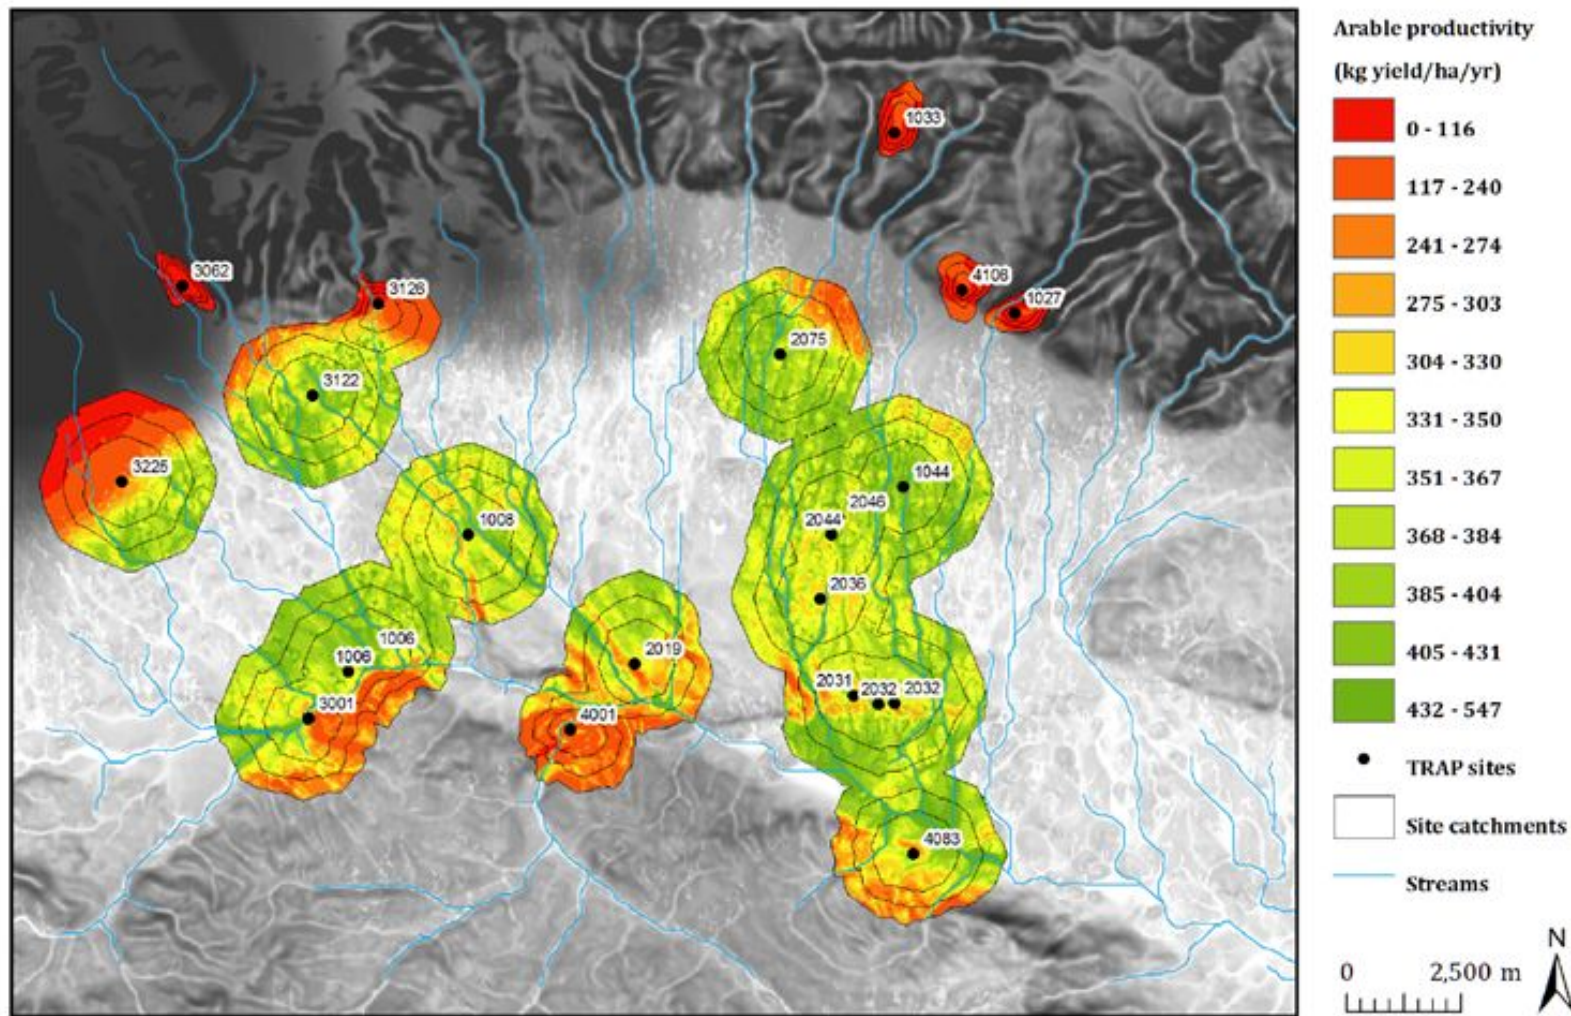

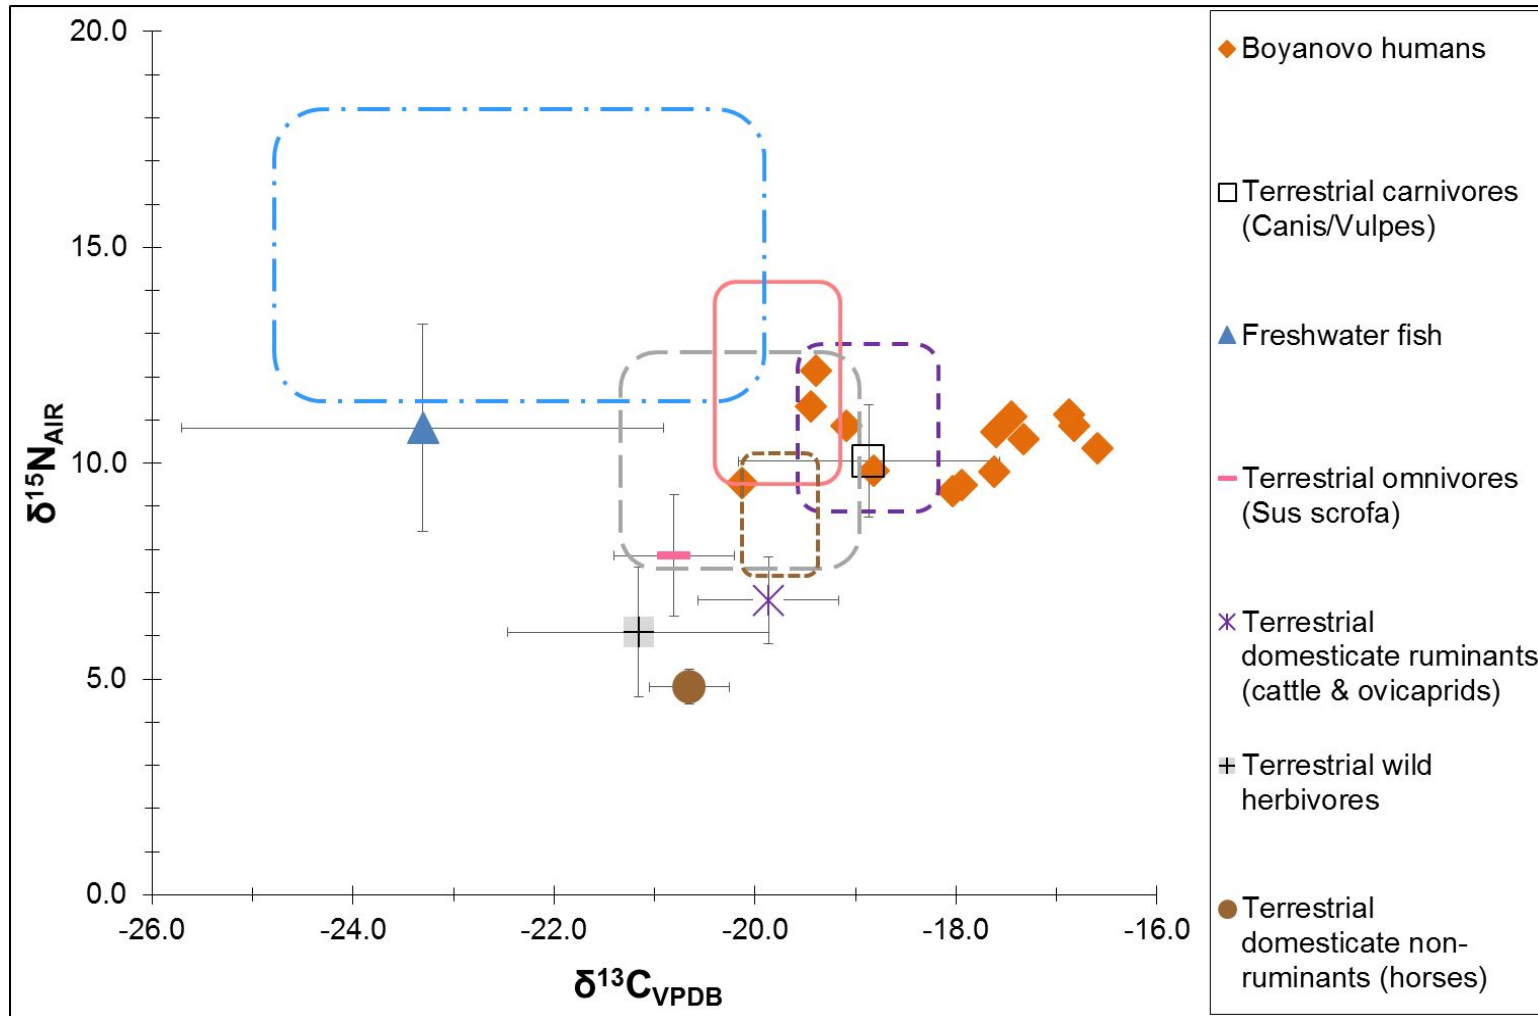

Figure 6 Late Iron Age arable productivity, for 15, 22.5 and 30 minute catchment radii

ISOCHRONIC CATCHMENTS

Isotope analysis

Thank you!
